8:45 am - Registration

9:00 am to 2:30 pm - Training / Workshop

In this workshop, participants will create a mental model of poverty, examine theories of change, and analyze hidden class rules, resources, family structure and language.

Led by Building Hope in the City, this seminar puts into words what many veteran professionals and ministry volunteers have experienced. Throughout the workshop, participants will learn specific strategies for improving their ministry outcomes when partnering with people living in poverty.

The cost to attend this workshop is \$10. A lunch will also be provided for a freewill offering.

Registration is required. To save your space at any of these training sessions, call (216) 281-4673.
