DRIVER'S STATEMENT

(For use by drivers operating their personal vehicles.)

As a driver for Building Hope in the City (BHITC), I recognize that, in the event of an automobile accident chargeable to me, my vehicle insurance will be considered the primary coverage for all claims, judgments, and liability for any injury and damage to any and all persons that I may be transporting to and from an event or trip for which I am driving.

I attest that I am currently at least 21 years in age and have a current and valid driver's license that is in good standing with the State of Ohio. I carry automobile insurance coverage that provides for minimum liability coverage of \$100,000 per individual and \$300,000 per occurrence to cover any and all persons that I may be transporting and to cover any and all claims that may arise against me.

By agreeing to this Driver's Statement, I agree to:

- Maintain the vehicle I use in good, safe operating condition.
- Comply with all laws and regulations concerning driving, including laws pertaining to the use of seat belts, child safety seats, cell phone usage and speed limits.
- Notify BHITC of any condition that may impair my ability to volunteer as a driver.
- Notify BHITC as soon as possible if I have any convictions related to violence, abuse, weapons, drugs or alcohol.

If I am ever in an accident while serving as a volunteer driver for BHITC, I agree to:

- Complete an accident report with local authorities.
- Cooperate with police as well as BHITC's insurer, adjusters and legal representatives.
